## Regarding adoption of New Building and Fire Codes

If you are an architect, engineer, designer or contractor that performs work within the State of California, please be advised that new building and fire codes will take effect on January 1, 2011. The following is a list of codes that will take effect on that date.

- California Building Code – 2010 Edition
- California Fire Code – 2010 Edition
- California Plumbing Code – 2010 Edition
- California Mechanical Code – 2010 Edition
- California Electrical Code – 2010 Edition
- International Existing Building Code – 2010 Edition
- California Residential Code – 2010 Edition
- California Green Building Standards Code – 2010 Edition

Please be advised major changes have occurred with respect to the CBC and CFC.

All permit applications submitted after December 31, 2010, will be required to comply with the new codes.

It is recommended that you obtain training on the new codes. Training opportunities can be found at [www.calbo.org](http://www.calbo.org) and [www.iccsafe.org](http://www.iccsafe.org).
